Please join the Peterborough Pride Committee
for a community discussion about
Pride in Peterborough.

Pride celebrations have grown since that first bold step in 2002
when we weren't sure how it might unfold.

It's time to take a look at where we've been, how we've grown and
imagine where we are going.

Let's celebrate the history of Pride in Peterborough, look at the information
gathered in the recent survey, and look ahead...

Imagine the future of Pride in Peterborough.

Mission:

Peterborough Pride exists to celebrate the history, courage, diversity and future of the Lesbian, Gay, Bisexual, Transgender, Transsexual, Queer, Intersex and Two-Spirited (LGBTQTQI2-S) communities.

Values:

- Treating each other, volunteers, stakeholders, and participants with respect and dignity.
- Recognizing and valuing the contribution of volunteers, staff, and stakeholders.
- The transparency and accountability of our actions
- Celebrating diversity by accepting and respecting differences and working to understand the diverse cultural complexities that influence identity, assumptions, behaviours, expectations, and beliefs.
- Honouring our past by remembering our history and educating both the LGBTQTQI2-S communities and the communities in which we live.
